Notes. As conference organizers, we have a contract with Big Sky Resort to have a reduced rate for various rooms/suites. We will process all the requests on a first come first served basis. Remember that if you share a room with a friend or conference attendee it will reduce the cost greatly. For example, if two people stay in Huntley First Class each only needs to pay \$55 per night, which is a very reasonable price near Yellowstone. The nearest place you can find a cheaper hotel is Bozeman, which takes 40-50 minutes to drive each way and is certainly not convenient. If you cannot find a suitable person to share a room/suite, please email your request (together with your gender, date of arrival and departure, smoking status and whether you have a car, etc) to: radcliff@cs.montana.edu. We will try our best to find you a roommate.

Note that we will forward your preference (i.e., the previous page) to Big Sky Resort on June 9, 2003. To help us to conform with the contract, please specify clearly the number of guests who will stay with you in a room/suite. (A child under ten is not counted as a guest.) You must contact them directly to pay one-night's deposit between June 10, 2003 and June 23, 2003 to guarantee your reservation (credit card payment is acceptable in this case):

Phone: (406)995-5000, local; (800)548-4486, out-of-state and Canada.

Fax: 406-995-5001.

Email: info@bigskyresort.com.

If you encounter any problem, contact Angie Day of Big Sky Resort at (406)995-5893.

Cancellation within 30 days of arrival (i.e., after June 23, 2003) will cost you one-night's deposit. The following are the rates from our contract with Big Sky Resort.
