

Student Agreement for Work on Sponsored Projects

I hereby acknowledge that I have been offered an opportunity to participate in the following project: _____ sponsored by _____. In exchange for the right to work on the project, I agree that all of my work will be owned by the sponsor. I will have no rights to any data, source code or the right to copyright work that I create on this project. I further agree not to disclose any confidential information, data, know-how, or research results obtained in connection with this class/project, except with the prior written permission of Montana State University.
