

2009 ANNUAL REVIEW OF PH.D. STUDENT PROGRESS (January 1, 2009 – December 31, 2009)

All Ph.D. students who are full-time, part-time, remote, on leave of absence, or writing up outside, must participate in the annual review process each year.

Please read all sections of the form and complete electronically. Forms should be signed in blue pen and returned to the departmental office no later than January 31, 2010. Please retain a copy of the completed, signed form for your records.

Note that it is your responsibility to complete the appropriate forms and lodge them with the Division of Graduate Education to change your committee, program of study, and apply for graduation, etc.

The purpose of the annual review of progress is to make sure you are making progress toward your goals and that any impediments to your success are identified. This will permit your graduate committee to work with you to provide every opportunity for success. Students who fail to perform satisfactorily may be placed on probation or suspended from the program.
