In addition to applying within the department, you must also apply online with the College of Engineering
<http://www.coe.montana.edu/scholarships> by FEBRUARY 2, 2009. **Students who neglect to apply online will not be
considered by the department.**

We recommend you pick up information sheets for each scholarship in the CS Office, EPS 357.

If applying for the **RightNow Scholarship** please attach the following to this application:

- Letter describing your career goals and how this scholarship will help you achieve those goals.
- Letter of recommendation from a Computer Science faculty member.

If applying for the **TeleSoft Scholarship**, please attach the following to this application:

- Letter of application which addresses why you are a good candidate for this award (see the requirements in the scholarship description).
- Reference letter that describes your entrepreneurial flair (see the requirements in the scholarship description).

If applying for the **Zoot Scholarship**, please attach the following to this application:

- Letter of application which addresses why you are a good candidate for this award (leadership/scholarship/career aspirations) and how you relate to Zoot's corporate values: character, integrity, initiative creativity, commitment to community, aptitude and interest in producing useful and effective software and a positive attitude towards life.
- Letter of recommendation from a Computer Science faculty member or employer.

If applying for the **Sonderegger Scholarship**, please attach the following to this application:

- Letter describing what you will use the scholarship for, and how this will help you alleviate problems that are delaying or hindering your graduation.
- The award type ("Gift" or "Award in exchange for services"):
- Your employment history:

Attach additional sheets if necessary
