What positions we are hiring:

- Electrical Engineers
- Computer Engineers
- Computer Scientists
- Other Science and Engineer degrees with skills in Computer Science

Internships

Pathways Interns

- Targets Electrical Engineering, Computer Engineering, and Computer Science students
- Internships are available for the Spring, Summer, or Fall
  - Interns may also work part-time or during Christmas and Spring breaks
  - (School comes first, but we try to accommodate your needs)

How to Apply:

Go to [http://www.usajobs.gov](http://www.usajobs.gov) (Lists all Federal jobs worldwide):

- Search on “What”
  - Internships
- Search on “Where”
  - UT, “Hill AFB, UT”, Utah, etc
- Read entire announcement and follow “How to Apply” directions carefully
- Benefits include health insurance, paid holidays, and annual/sick leave, may convert to full-time permanent
- To apply you must respond to an internship announcement in [usajobs.gov](http://www.usajobs.gov)
- These announcements appear periodically and are usually for only a few days
  - Recommend you create a saved search which will email you once the announcement opens
- Once you have applied please be patient, you will receive an email letting you know the status
- In the meantime:
  - E-mail Resume/(unofficial) Transcripts to:
    - [309SMXG.Recruiting@us.af.mil](mailto:309SMXG.Recruiting@us.af.mil)

**MUST BE A US CITIZEN TO WORK FOR THE FEDERAL GOVERNMENT**
To learn more about the work we do at Hill AFB, go to:

- [http://www2.hill.af.mil/CBO/index.html](http://www2.hill.af.mil/CBO/index.html)
