## Summary

I'm currently enrolled at Montana State University as a Junior in Computer Science. I've worked as a tutor and supplemental instructor over the last three years. I've tutored many students in math, ranging from College Algebra up through multivariable Calculus. I have experience in several programming languages such as Java, C++, and Python. I'm am very motivated and will overcome any obstacle thrown at me.

## Skills & Abilities

- Office/Excel
- Basic Programming - Java, C++, Python
- Math - through Multivariable Calculus
- Teamwork skills
- Interpersonal skills
- Leadership skills

September 2005 - May 2010

### **FVCC** Kalispell, MT— *CS Transfer Associates of Science Degree – 4.0 GPA*

January 2014 - May 2016

### **Montana State University** Bozeman, MT— *Computer Science BS – 3.91 cumulative GPA*

August 2016 – est. graduation June 2019

## Leadership & Involvement

I was president of AICE (Appreciating Individuality, Challenges, and Excellence), a disability support group, where we organized volunteer activities and disability awareness events. I was also part of TRIO, SWAT (Computer Club) and Phi Theta Kappa, and have volunteered for many events relating to these organizations.

At MSU, I am holding an officer position in ACM (Association for Computing Machinery) as social chair. I'm also a part of Swing Cats, a vintage swing dance club, AWC (Association for Women in Computing), and RoboCats.

## Leadership & Involvement Continued
