MSU Faculty-led Program
Berlin, Germany & Amsterdam, Netherlands

July 9 - August 15, 2020

Dr. John Paxton
john.paxton@montana.edu
(406) 994-5979

CSCI 491 | 3 credits
Prerequisite: 2+ semesters programming experience
Students will learn the Go programming language and use Go to solve practical problems. They will research and present an advanced feature of Go and work with FU Berlin students to implement and present a group project. Following the course in Berlin, students will spend six days as tourists in Amsterdam.

$3,050 per student
Not included: summer tuition, airfare & some meals

Apply by: **November 1, 2019**
