

# CSCI 476 Lab 10

Due Sunday December 11th at 11:59 PM

## COURSE EVALUATION SYSTEM CLOSES ON THE 9TH

Please put your screenshots inside of a PDF file and submit to the correct D2L dropbox

**Problem 1.** Fill out the course evaluation. The evaluation can be found on your D2L homepage under the "Course Evaluations" tab

Once completed, take a screenshot of the screen the shows that you submitted the course evaluation.

If 85% or more of the class fills out the course evaluation, I will add 5% to everyone's final exam grade.

**Problem 2.** Fill out the CSCI 476 Exit survey. This survey has specific and targeted feedback regarding CSCI 466 that will be helpful for Reese to know. I really do care about your feedback, and I do take it very seriously :) please dont be super mean

Link to CSCI 476 Exit Survey: <https://forms.gle/JNAjEaz1MvZVQ6jSA>

Once you submit the survey, take a screenshot of the landing page and include the screenshot in ur PDF submission

**Problem 3.** You will create your own tier list that ranks the topics/labs in this course. You will rank them based on enjoyment and difficulty.

Tier List Maker: <https://tiermaker.com/create/csci-476-topics-and-labs-15462531>  
Once you have your tier list made, take a screenshot and include it in your PDF.
