

Quiz 2 Logistics

- Friday April 4th during your registered lab time (Cannot be taken from home. TAs will take attendance)
- It will be a D2L Quiz (bring your laptop)
- 20-ish questions
- Multiple Choice, True/False, Matching (Autograded)
- Should hopefully only take 30-60 minutes of your time
- You can use any notes, lecture slides, recordings, and Java documentation (No AI tools or external resources)

Topics

- Heaps
 - Red Black Trees
 - Huffman Encoding
 - Graphs (Representation)
 - Graphs (Traversal)
 - Minimum Spanning Tree
 - Shortest Path
-
- It may be helpful to bring a writing utensil and something you can write on (scratch paper, notebook, etc)
